

As we get ready for a busy summer filled with ministry opportunities I wanted to ask our you to be praying for all of our churches and our association.

Let's pray for our churches as they host Vacation Bible School, attend youth and children's camps, go on mission trips, and look for creative ways to reach and love their communities.

Please, specifically pray for those who will use our Block Party Trailer. This trailer has been an amazing resource for our churches to reach out to their communities and neighborhoods. If your church would like to use the trailer this summer please contact our office (325-643-1348) as the dates are filling up fast. The trailer has bounce houses, games, sno cone machine, popcorn machine, grill, sound system, tables, chairs, and tents. You will have everything you need to host an amazing outreach event. The cost for our Network churches is \$150. If you have not been able to use the trailer yet, please consider taking advantage of this awesome evangelistic tool.

Also, please be praying for our mission team traveling to Wisconsin June 20-25. We have two teams going this summer. One will go to Madison and the other to Milwaukee to work with our three partner church plants. We will be helping these churches do block parties and reaching out to their communities. Pray for our travel and our time in Wisconsin. Pray we would be an encouragement to our partner pastors and their families. Pray about sending some from your own church to Wisconsin on our trip next summer!

We are praying for you and for your church. If we can be a help in any way please let us know. Summer is a busy season, but it is also a fruitful season for Gospel ministry. We are praying for God to show His glory in our area this summer!
