Heart of Texas Baptist Network,

Our Missionary in Residence house is one of our main ministries. Because of your generosity we are able to offer this three bedroom, two bathroom house to missionaries free of charge.

In August we will have a new family moving in! A young couple who currently serves in Central Asia will be traveling back to the United States to be married and from August 2022- September 2023 they will stay in our house.

I am writing to ask you and your church to consider blessing this couple as they live in our area this next year.

One tangible way we can bless them is by making sure the pantry and fridge at the house are stocked and ready for them when they arrive.

If you would like to donate canned goods and other items for the pantry you can drop them off at our office (1809 Early Blvd. Early, TX) or you can call us and arrange for us to pick them up (325-643-1348).

Another option is to give them a gift card to a local restaurant or business or Wal Mart or United so they could buy groceries. We asked the couple for a few of their favorite snacks and hobbies so if you would like to know these in order to be able to tailor the gift to their personal preferences please call us and we will share that list with you.

Over and over again you have been so generous to the guests who stay in our Missionary in Residence House. I am so thankful for your faithfulness. We have another opportunity to bless those who are taking the Gospel to the ends of the earth. This is a special young couple and I know you will be faithful to love them well this next year. If you have any questions you can email me at hotbnm.texasmissions@gmail.com or call our office at 325-643-1348.

Thank you!

Zac Harrel
