HEART OF TEXAS BAPTIST NETWORK

ANNUAL GATHERING

It is with great anticipation that I make you aware of the upcoming Heart of Texas Baptist Network Annual Gathering, which will be held on Sunday, October 20, 2019, beginning at 4:00 p.m. with a business meeting, 5:00 p.m. meal, and 6:00 p.m. worship and mission focus. (At Coggin Avenue Baptist Church).

At our business meeting participants will hear from Network leaders concerning the goals and initiatives of the Network for 2020, and during the worship hour we will enjoy a special mission focus and a message from Pastor Sean Bridges. Sean and his family will be with us for the evening, and he will be speaking on our theme for the night- "Salt and Light," drawn from the Sermon on the Mount and specifically Matthew 5:13-16.

Sean is one of our great bi-vocational pastors of this Network. He has been serving as the Pastor of Proctor Baptist Church for several years now and works full

time in the banking industry in Comanche. We are very thankful that Sean is bringing our message this year.

Also, during the meeting this year there will be a special emphasis on the work of our Ministry Teams.

These teams are taking shape in our Network and their work will be highlighted at both the 4:00 p.m. session and the 6:00 p.m. worship.

We are also thrilled to have Wes and Hannah Carroll with us. Wes and Hannah serve at Eastside Baptist Church Comanche where he leads the Youth Ministry and is Worship leader. Their music is very fresh and winsome, and so we have a great preaching and music team to lead us in worship for the evening.

We wanted to remind all attending the business meeting of the following:

1) anyone can attend the business meeting and is welcome to do so, but only elected messengers and/or Executive Board members can vote.

2) All messengers/Ex. Board members will sign in at the sign-in stations in the Family Life Center.

3) The Pastor of each

Network church is automatically an Executive Board member, plus on additional member chosen from among the congregation (lay leader or staff member). By way of this formula, they serve as Ex. Board Members and Messengers at the Annual Gathering. These two people will count toward the total number of allotted messengers per church (according to the by-laws).

4) The formula guiding the number of messengers per church is as follows: "Each membership Church shall be entitled to elect messengers to the Annual Gathering, based on the following formula: Five (5) messengers plus one additional messengers for each fifty (50) resident members above one-hundred (100) or fractional part thereof. No church shall be entitled to more than fifteen (15) messengers.

Mission churches do not elect messengers, but sponsor churches may elect messengers from their mission(s).

These messengers will count toward the total allotted messengers from the sponsor church. All elected messengers will register at the Annual Gathering and be given some form of visible credentials." (Constitution and By-laws, Heart of Texas Baptist Network).

ZAMBIA MISSION TRIP

It was my great pleasure to travel to Zambia and work with Staci Powers, IMB Missionary to Zambia, and Tim Skaggs, Pastor of Coggin Avenue Baptist Church, to conduct a bush training event for the Pastors and leader in Namwala, Zambia. 13 people attended this event, and Tim Skaggs did a tremendous job teaching through the book of Hebrews.

In the afternoon, I taught Systematic Theology to the learners. This group was warm, loving, hospitable, and set an example for us in commitment to Christ and to his calling by sleeping on the ground in tents for five days through some very challenging weather conditions.

We also want to thank Dr. Sam Goff of Coggin Avenue Baptist Church for his very able administrative work in planning the logistics of this trip. (by Don Fawcett)

MISSIONARY-IN-RESIDENCE HOUSE

Beginning in October of 2019, IMB Missionary Staci Simpson Powers will be our honored guest at the Heart of Texas Baptist Network Missionary-in-Residence House.

Staci is currently serving in Zambia (south Central Africa) as a career missionary with the IMB of the Southern Baptist Convention. She has served there and in other African nations with her husband Jeff Powers, and has continued to do so since the time of his passing.

Staci will remain at the Mission House through the remainder of 2019 and well into 2020. She is an outstanding missionary and exemplary human being, and we hope that you will make an effort to get to know her in the coming days.

If you would like Staci to come and speak at your church, event, or to a group, please contact the office in the time being until her arrival. We can then forward the information to her for contact and follow-up.

STAFF NEWS

As part of our annual assessment during summer of 2019, the Administrative Team suggested that we attempt to combine the positions of Communications Director and Financial Secretary, which created a new position-Director of Communications and Finance.

Rebeca Walters has been hired for this position. She earned an Associate of Science Degree in Computer Business Management from CCNN-Reno, NV and is experienced in communications in business and medical applications. She is also a Licensed Massage Therapist in the State of Texas and has worked in Brownwood as a Massage Therapist.

We are thrilled to have Rebeca Walters as part of our Office Team here at the Network. Abbie Valencia will continue her regular duties as Ministry Assistant.

We also want to thank Bobbie Fawcett, PPCD Teacher at Heartland Educational Co-op, for serving as our Financial Secretary for many years. She has done a great job in this area, and we also want to recognize Roberto Limon who acted as our Communications Director as a permanent employee through the years and then twice in times of transition. We appreciate the sacrificial efforts of both of these individuals.
